## **MRI DISCLOSURE OF PROPRIETARY**

In order to better evaluate and treat your condition, your physician feels that a Magnetic Resonance Image (MRI) is required.

Tri-Valley Orthopedic Specialist, Inc is able to perform the MRI in our Pleasanton and Tracy locations.

We must advise you that the Tri-Valley Orthopedic Specialists, Inc has ownership in this diagnostic tool, and that you have the option to choose an outside facility for your MRI. We can refer you to a facility of your choice.

If you elect to have your MRI at Tri-Valley Orthopedic Specialists, Inc, please sign this form and return it to your Physician's Patient Care Coordinator

Our MRI Technician will call your insurance for authorization. Upon approval, you will be called to schedule your appointment.

**We are unable to proceed with your MRI without this signed documentation**
